Competitor Fees (continued)

The phased payment installment plan option is offered to competitors to assist in spreading the cost of entry across the season and consequently, this arrangement between the competitor and Time Attack Limited means that all payments must be made, whether all rounds are entered or not. If a competitor withdraws from the championship for whatever reason, no refunds for deposits or payments made will be given (unless exceptional personal circumstances prevail). If payments are not made on time, then the competitor's entry and all championship points will be revoked. Your signature below confirms that you understand this arrangement. See Championship Regulations 6.1.8 and 6.1.9.
