* Phased Payment Plan Terms and Conditions

The phased payment instalment plan option is offered to and agreed by competitors by Time Attack Ltd to assist in spreading the cost of entry across a longer period to benefit a competitor by reducing the initial impact cost of entry to the Championship which they have freely chosen to enter. Consequently this arrangement between the competitor and Time Attack Ltd is binding and will stand as agreed until such time as all payments have been made by the competitor to Time Attack Ltd in full. Whether a competitor enters each and all events in the Championship, the amounts due on the specified dates will stand and must be paid in full without deduction, delay or offset regardless of cause. For the avoidance of doubt this covers all circumstances including but not limited to scenarios such as changes in personal circumstances, issues and problems with competing vehicles, damage, engine failure, team members etc. Any amounts paid may not be carried over to cover future events.

Competitors entering into the payment agreement do so knowingly and agree that the amounts will be paid in full and on time as specified. No refunds for deposits or entry payments will be given at any time [including early and one off season payments] and the purchase of the entry and any payment plan is done so by the competitor on these terms alone. If payments are not made on time or are defaulted upon, Championship status will be revoked, points and achievements declared void and legal action to recover any outstanding amounts including any legal costs will be sought. The Championship has been organised for each competitor for an entire competition year and therefore the terms of payment, the commitment to them and the responsibility to pay on time and in full are unique and legally binding. Upon signing this form competitors will be bound by these payment terms [if chosen] in which case it shall supersede any previous agreements whether in writing or verbally.

Any installments that fall due and are not paid on time and become outstanding for a period longer than 5 days beyond the agreed date will incur and automatic admin surcharge of £20 to each payment which is late.

If six rather than seven rounds are held, anyone who has paid for a full season will be eligible for a refund/credit.
